Art & Craft Fairs

We will be hosting four intimate Shooting Star pop ups within our Northern Star exhibition on Saturdays and Sundays between November 25 and December 17. Each weekend will see us invite four different, specially selected artists to be with us in the gallery space for one weekend only, like a shooting star! Making it even easier for you to shop small and support handmade this gift giving season. The stalls will be open from 11am until 4pm on Saturdays and 11am until 3pm on Sundays.
